GENERAL MEETING

The next general meeting of the LAAS will be on Monday, Feb. 11, at 7:45 P.M. Our meeting place is Lemon Grove Recreation Center. This is at Lemon Grove and Kingsley near Melrose and Normandie, just off the Hollywood Freeway. Don Bane of TRW will present a film on spacecraft exploration of Mars entitled, "Mars--The Search Begins". This is one of the best films of this type available, so it should be a very interesting evening.
