BULLETIN FOR JANUARY 1977

SURPRISE--We said in the December Bulletin there would be no Bulletin in January, but in the interest of continuity (and some important announcements) Mike Simmons decided to put out a "quicky". This accounts for the ragged appearance of the Bulletin this month; our graphics artist, Lew Chilton is taking a much deserved vacation. Our February issue will be the next regular edition.

STAR MEMBERS MEETING

The first star members meeting for 1977 will be held Monday, January 17 at the Palms Recreation Center. Plans and goals for improving our Lockwood Valley site in 1977 will be discussed. Please come, bring your ideas and join in on the friendly discussion.

Dennis Grantham, who was selected at the December Board meeting, will be serving as the 1977 star member chairman. Many thanks to Steve Kufeld for the fine job he did in 1976.

WORK PARTY

The star members will have a work party up at Lockwood Valley on the new moon weekend of January 15. More trash will be removed from the land and more gravel will be put on the observatory road. New faces to help the faithful few who usually attend will be appreciated. Please plan to be there early Saturday morning.

HURRY HURRY HURRY

Orders for tickets to the Awards Banquet must be in by January 5. Send \$6.50 for each ticket to: Al Bond, 6204 Condon Ave., L.A. 90056. Remember, our special speaker is Dr. Robert Richardson, formerly of Mt. Wilson and Griffith Observatories, who will speak on "Fifty Years in Astronomy and Some Black Holes I Have Known". See last months Bulletin for details. If you miss this one, you'll be sorry.

Note: If your ticket order is received too late to allow the tickets to be sent to you by January 9, we will hold them for you at the door.

WHERE: Les Freres Taixes Restaurant, Los Angeles

WHEN: Sunday January 9, 1977, 7:00 pm.
