GENERAL MEETING:

The speaker for March will be Dr. Geraldine Peters of U.S.C. Her topic will be "Mass Transfer in Binary Star Systems". Specifically, her topic will cover Algol type star systems.

In addition to the speaker, several other presentations will be made including a recap of the January Banquet and a brief status report on our Lockwood Valley Observatory.

PRESIDENT'S COLUMN

WAA Board Meeting

The mid-winter meeting of the Western Amateur Astronomers was held Saturday Jan. 30 in Fresno. I attended as LAAS representative and as WAA treasurer. The major item on the agenda was selection of the G. Bruce Blair award recipient. Doug Berger was the 1982 winner for his many accomplishments including co-discovery of comet Kabayashi-Berger-Milon, and organizing and promoting the idea of astronomy day.

1982 Riverside Conference

Reservations are now being taken for attendance at the 1982 Riverside Telescope Makers Conference. An application form appears elsewhere in the Bulletin.
